Subject: Regarding Disclosure/Non-Disclosure of Quarterly reports for Perkin Elmer LAS

Hector,

I am writing with regards to the disclosure/non-disclosure of quarterly reports for GL device transfers for Perkin Elmer LAS.

I called and spoke with John Widomski, Radiation Safety Officer for the company, at about 1:50PM on Wednesday, November 13, 2013. Mr. Widomski informed me that it is okay for their quarterly reports to be made publicly available, and I will be submitting the received report into ADAMS as such shortly. As I mentioned, Mr. Widomski's email address is not available on the submitted quarterly report, so he is not cc'd on this email.
