Gentlemen:

Subject: Docket No. 50-206
Control Room Habitability Review
NUREG-0737, Item III.D.3.4
San Onofre Nuclear Generating Station
Unit 1

By letter dated October 10, 1986, SCE provided the NRC with a submittal which addressed Control Room Habitability at San Onofre Unit 1. On May 31, 1988, the NRC transmitted a list of questions regarding the submittal. Provided as an enclosure are the responses to the NRC's questions.

These responses are consistent with our previous submittals. In the event you have additional concerns regarding this matter we would be willing to meet with you to discuss this issue.

If you have any questions regarding this, please let me know.

Very truly yours,

Enclosure
