Emergency Plan Revision 3.1
San Onofre Nuclear Generating Station

Gentlemen:

This letter transmits Revision 3.1 of the San Onofre Nuclear Generating Station Emergency Plan. This revision includes changes based on our experience during drills and our Annual Exercise, including those discussed in my letter to NRC Region V dated November 21, 1989.

Enclosed is a summary of the major changes included in this revision to the plan. The revision does not decrease the effectiveness of the plan.

Sincerely,

Enclosures
