Gentlemen:

Subject: Environmental Qualification Status

To clarify the status of San Onofre Units 2 and 3 regarding environmental qualification of safety-related electrical equipment, we request that you provide the following information for both units:

1. Identify the equipment that does not meet the requirements of NUREG-0588.
2. Provide the date(s) when such equipment will be in compliance with the provisions of NUREG-0588.
3. Provide justification for safe plant operation in the interim period prior to full compliance with NUREG-0588.
4. Provide the date(s) when complete and auditable records will be available and maintained at a central location which document compliance with NUREG-0588.
5. Provide the date(s) when the environmental qualification surveillance and maintenance program procedures will be implemented.

If you have any questions regarding this request, please contact the NRC Project Manager assigned to San Onofre 2 and 3.
