WALNUT CREEK, CALIFORNIA 94596

SEP 30 1980

Docket No. 50-206

Southern California Edison Company  
P. O. Box 800  
2244 Walnut Grove Avenue  
Rosemead, California 91770

Attention: Dr. L. T. Papay  
Vice President Advanced Engineering

Gentlemen:

Subject: NRC Inspection Report

This refers to the inspection conducted by Mr. M. Cillis, R. Curtis and G. Yuhas of this office on August 18-22, 1980 of activities authorized by NRC (license) No. DPR-13, and to the discussion of our findings held by Mr. G. Yuhas with Mr. R. Brunet and other members of your staff at the conclusion of the inspection, and to the discussion of your radiation protection program held by Mr. Engelken and members of his staff with you and other representatives of the Southern California Edison Company at the Region V office in September 5, 1980.

Areas examined during this inspection are described in the enclosed inspection report. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observations by the inspector.

No items of noncompliance with NRC requirements were identified within the scope of this inspection.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed inspection report will be placed in the NRC's Public Document Room. If this report contains any information that you believe to be proprietary, it is necessary that you submit a written application to this office, within 20 days of the date of this letter, requesting that such information be withheld from public disclosure. The application must include a full statement of the reasons why it is claimed that

A handwritten signature or initials, possibly "M", written in dark ink.

the information is proprietary. The application should be prepared so that any proprietary information identified is contained in an enclosure to the application, since the application without the enclosure will also be placed in the Public Document Room. If we do not hear from you in this regard within the specified period, the report will be placed in the Public Document Room.

Should you have any questions concerning this inspection, we will be glad to discuss them with you.

Sincerely,

R. H. Engelken  
Director
