Attention: Mr. Kenneth P. Baskin, Vice President  
Nuclear Engineering, Safety and Licensing

Gentlemen:

This refers to the management meeting held with members of your staff at the NRC Region V office in Walnut Creek, California, on March 12, 1986. This meeting was related to activities in response to the November 21, 1985 event at San Onofre Nuclear Generating Station, Unit 1. Subjects discussed during the meeting are described in the enclosed report.

In accordance with 10 CFR 2.790(a), a copy of this letter and the enclosure will be placed in the NRC Public Document Room.

Should you have any questions concerning this report or the associated meeting, we will be glad to discuss them with you.

Sincerely,

15/  
D. F. Kirsch, Director  
Division of Reactor Safety and  
Projects
