**Subject:** Question about deep borehole disposal

Dear Allison,

How are you doing?

I have a question for you about deep borehole disposal.

I have great interest in it.

I do not believe, but Dr. Man-Sung Yim

([http://nuclear.kaist.ac.kr/index.nq?sid=sub04\\_1\\_1&mode=view&sno=261](http://nuclear.kaist.ac.kr/index.nq?sid=sub04_1_1&mode=view&sno=261)) who is a professor of nuclear engineering department of KASIT argues that DBD would not be permitted in the US because it is impossible for US NRC to give license it due to the difficulty of assurance on safety of DBD.

Is it true?

Thank you.

Jungmin
