Submittal of Chapters 11, 16 and 17 for the Phase II Final Status Survey Report**

Dear Mr. Buckley:

Mallinckrodt is continuing to finalize the remaining chapters of the Phase II Final Status Survey Report (FSSR). As discussed at the meeting in April, to avoid submitting a large document when all the chapters are complete Mallinckrodt is providing chapters of the FSSR as they are finalized. Hence, enclosed are one paper copy and one compact disk of the chapters listed above for your review. Please note that the compact disk is inclusive of all the chapters submitted to date so that you can discard the previously submitted disk.

If you have any questions please do not hesitate to contact me at 314-654-5838.

Sincerely,

Karen Burke
Director, Environmental Remediation
