Gentlemen:

Subject: Docket No. 50-206  
Implementation of Generic Requirements  
San Onofre Nuclear Generating Station  
Unit 1

Your letter dated April 30, 1986 requested that we assist you in providing information for the Regulatory Information Tracking System. In the enclosed we have provided the status of the issues and the dates of completion or scheduled completion. For those issues where Licensee Status and Date has not been provided, additional information is needed from the NRC Project Manager to better define the issue such that a status can be provided.

If you have any questions regarding the enclosure, please let me know.

Very truly yours,

Enclosure
