

BOTSFORD HOSPITAL

To: Timothy McKnight, D.O., Radiation Safety Officer

From: David Marcellino Executive Vice President, Chief Administrative Officer, Botsford Hospital

Subject: Delegation of Authority

You, Timothy McKnight, D.O., have been appointed Radiation Safety Officer for the Botsford General Hospital and are responsible for ensuring the safe use of radiation as authorized under 10 CFR 35.100, 35.200, and 35.300. You are responsible for managing the Radiation Protection Program, identifying radiation protection problems; initiating, recommending, or providing corrective actions, verifying implementation of corrective actions; stopping unsafe activities; and ensuring compliance with regulations. You are hereby delegated the authority necessary to meet those responsibilities, including prohibiting the use of byproduct material by employees who do not meet the necessary requirements and shutting down operations where justified to maintain radiation safety. You are required to notify management if staff does not cooperate and does not address radiation safety issues. In addition, you are free to raise issues with the Nuclear Regulatory Commission at any time. It is estimated that you will spend 2 hours per week conducting radiation protection activities.
