Gentlemen:

Subject: Docket Nos. 50-206, 50-361, and 50-362
1995 Emergency Plan Exercise
San Onofre Nuclear Generating Station
Units 1, 2, and 3

Enclosed are the scenario and data for the San Onofre annual emergency plan exercise scheduled for October 11, 1995. These documents contain information about the exercise. To assure the security of the scenario, they should not be disclosed until after the exercise. Edison therefore requests that the enclosures not be filed or distributed to exercise participants until after October 11, 1995.

Please contact me if you have any questions.

Very truly yours,

Emergency Plan Exercise

Dear Sir:

In accordance with Guidance Memorandum EX-3, enclosed are two copies of the scenario and data for the San Onofre annual emergency plan exercise scheduled for October 11, 1995. The scenario and data were developed with the State of California, Office of Emergency Services, and the Interjurisdictional Planning Committee.

Please contact me if you have any questions.

Very truly yours,

William G. Zintl
