RE: The Nuclear Regulatory Commission Failure to Update the Local Contact List

Dear Congressman Benishek,

I am frustrated by the lack of concern by the NRC in updating their contact list with current names, positions, etc. in our local.

I have brought this to the attention, in writing, to the NRC on several occasions in the past five years. I have received only one response dated 06/25/13 from Mr. Charlie Arnone, Nuclear Safety Assurance Director of the Palisades Nuclear Plant. His response is enclosed.

I sent the NRC a very strong letter dated 06/12/13 reflecting my concerns on this issue. I am dismayed at the lack of concern and response from the NRC to correct this serious issue. Heaven forbid we have a serious emergency where we would need to contact the responsible officials. I am sure this would cause serious embarrassment to the NRC for their failure to fix this issue which has been brought to their attention. I personally can identify 15 persons on this list who no longer hold the positions listed.

I am seeking your assistance in getting the attention of the NRC to correct this deficiency. I would be more than happy, along with our county clerk, to supply them with as much correct information on the individuals listed on enclosure two.

I look forward to your assistance and response to this frustrating situation.

Respectfully submitted,

W.D. (Don) Schneider

Sheriff Schneider,

This is a follow up to our discussion on getting the service list updated with accurate info. You now have my contact info and hopefully I can get this resolved as discussed.

Take care and again I apologize on behalf of Entergy.

Regards,  
Charlie

David B. Hamilton  
Nuclear Safety Assurance Director  
Entergy Nuclear Operations, Inc.

Covert, MI 49043

Dear Mr. Hamilton,

I am frustrated. I have complained that the enclosed list is grossly out of date and requested it be fixed numerous times.

Many of these people on the list are out of office or have not held that position for years and years. The frustrating part is I have asked the Nuclear Regulatory Commission (NRC) to update this document and apparently it has fallen on deaf ears.

Of the enclosed list, at minimum, I personally have identified 14 people who no longer hold that office or title, my office included. Sheriff George Lasater has retired almost 4 ½ years ago.

And to add insult to injury I tried contacting Chris Allen at (301) 492-3148, the number listed to call if I had any questions, and the number is out of service. Really?

I am asking you to please direct me to the appropriate person that has the ability or intelligence to correct this document.

Normally, I would not draft such a strong and heated letter, however my concerns have not been taken seriously. And if a catastrophe or emergency should happen, the NRC is going to be embarrassed due to their lack of attention to this issue.

Please forward this letter to the appropriate authority who will fix the problem. If you need help correcting this document, contact me at 231-547-4461 or [schneiderd@charlevoixcounty.org](mailto:schneiderd@charlevoixcounty.org).

Sincerely,

W.D. (Don) Schneider
