Subject: Request for a pre-application meeting

Mr. Ryder:

I am in receipt of your advance copy of the non-acceptance of Penn State's renewal application for license SNM-95 dated Nov 18, 2013. As stated in your letter, I am requesting a pre-application meeting to assist with the re-submittal of my license renewal at you earliest convenience. The week of Dec 16, 2013 is available for me but please let me know your schedule and we will find a mutually agreeable time.

Thank you,
Jeff
