Dear Mr. Hendrie:

Because you are chairman of the U.S. Nuclear Regulatory Commission, I am writing to strongly urge you do do all possible to effect licensing the San Onofre and Diablo Canyon nuclear plants.

I am also writing Governor Brown, my senators and representatives. After hearing several pro. nuclear lectures including Dr. Peter Beckman and Dr. Edward Teller, I am convinced of its safety, as well as its low cost.

My sincere thanks
for your consideration,

Mrs. Marcia Root

May we encourage you to use your
good office to speedily license the
Diablo Canyon and San Onofre Nuclear Plants.

I think the "3 mile Island" incident proved
that Nuclear Power can be safe. I find
it interesting that the "No Nuke Kooks" are
never in opposition to our giving Nuclear
capability to communist nations — their
bias is very obvious. We would appreciate
hearing from you if possible —

Sincerely
Basil I. Gladieux
