SUBJECT: ACCEPTANCE FOR REVIEW OF DECOMMISSIONING FINANCIAL ASSURANCE
(TAC L33293)

Dear Mr. Elliott:

We have received your submittal dated October 23, 2013, transmitting changes to decommissioning financial assurance documents. Your request has been assigned a Technical Assignment Control Number L33293. Please reference this number in any future correspondence associated with this request.

We have completed our acceptance review of your submittal and have identified no administrative omissions or deficiencies that would prevent us from proceeding with a detailed review. A complete review of this submittal may identify issues that require additional information. Please note that an updated certification of financial assurance must be included when you submit final versions of draft financial instruments.

Based on our preliminary review and projection of current review schedules, we anticipate completing our review by the end of April 2013. This date could change depending on the findings of our technical review, urgent assignments, or other factors. We will promptly communicate any significant changes to this schedule.

In accordance with Title 10 of the *Code of Federal Regulations*, Section 2.390 of the U.S. Nuclear Regulatory Commission's (NRC's) "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

M. Elliott
