RE: License #04-07845-04 Radiation Safety Committee

Dear Ms. Hill:

The purpose of this letter is to update your records with our current Ionizing Radiation Safety Committee (IRSC) membership. No amendment is requested or required for these changes as the Radiation Safety Officer and the Committee Chairperson have not changed from those listed on our license.

The contract health physicist and Assistant Radiation Safety Officer is now Eric Packard due to contract changes. Mr. Packard is a non-voting member to the Committee unless serving as the Acting Radiation Safety Officer.

If you have questions pertaining to this letter, feel free to contact me at (650) 604-3979.

Sincerely,

A handwritten signature in black ink that reads "Patrick S. Muldoon".

Patrick S. Muldoon, CHP
