Gentlemen:

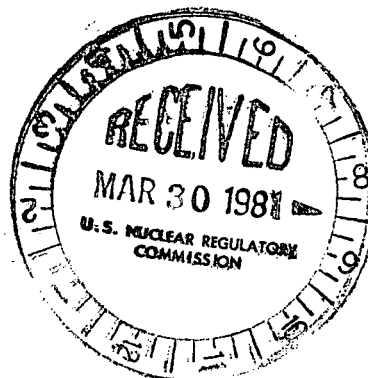

Subject: SEP Topic XV-16  
San Onofre Nuclear Generating Station  
Unit 1

Your letter of December 15, 1980 requested information pertaining to SEP Topic XV-16, "Radiological Consequences of Failure of Small Lines Carrying Primary Coolant Outside Containment." We are currently proceeding with preparation of the requested information. However, we do not anticipate being able to submit the information until April 10, 1981.

If you wish to discuss this matter, please let me know.

Sincerely,

*W.C. Moody*
