Attention: Mr. Kenneth P. Baskin, Vice President
Nuclear Engineering, Safety and Licensing Department

SUBJECT: REVISION 2.02 TO THE SONGS EMERGENCY PLAN

We have completed a review of Revision 2.02 to your SONGS Emergency Plan submitted under your cover letter of August 10, 1988 in accordance with the provisions of 10 CFR 50.54(q).

The results of our review were discussed during a December 16, 1988 telephone conversation between Ms. G. Good of my staff and Mr. K. de Lancey of your staff. It is my understanding that most of the issues discussed were editorial in nature, therefore, there were no areas in need of immediate change.

Our review indicates that your plan, as changed, continues to meet the standards in 10 CFR 50.47(b) and the requirements of 10 CFR Part 50, Appendix E.

Sincerely,

R. F. Fish, Chief
Emergency Preparedness Section
