U. S. Nuclear Regulatory Commission
Attention: Document Control Desk
Washington, D.C. 20555

Gentlemen:

Subject: Docket No. 50-206
San Onofre Nuclear Generating Station
Unit 1

The NRC letter dated January 5, 1987 requested that an application fee of \$150.00 be provided for the submittal of October 31, 1986. The NRC indicated that this was necessary because the review of the October 31, 1986 submittal is considered to be separate from that of Proposed Change No. 165 which was provided for NRC approval on November 12, 1986. Accordingly, pursuant to 10 CFR 170, Check No. T040801 in the amount of \$150.00 is enclosed.

If you have any questions or desire additional information regarding this subject, please contact me.

Very truly yours,

Enclosure
