SUBJECT: EXAMINATION REPORT

During the week of October 22, 1990, the NRC administered examinations to employees of your company who had applied for licenses to operate your San Onofre Nuclear Generating Station, Unit 1. At the conclusion of the examination, the examination administration and preliminary findings were discussed with those members of your staff identified in the enclosed report.

In accordance with 10 CFR 2.790 of the Commissions regulations, a copy of this letter and the enclosures will be placed in the NRC Public Document Room.

Should you have any questions concerning this examination, please contact us.

Sincerely,

  
Dennis F. Kirsch, Chief  
Reactor Safety Branch
