Attention: Mr. R. H. Engelken, Director

Dear Sir:

Subject: Docket No. 50-206
IE Bulletin 81-01
Surveillance of Mechanical Snubbers
San Onofre Nuclear Generating Station
Unit 1

In response to Inspection and Enforcement Bulletin No. 81-01, Surveillance of Mechanical Snubbers, it has been determined that there are no mechanical snubbers manufactured by International Nuclear Safeguards Corporation in use in safety-related systems at San Onofre Unit 1.

All mechanical snubbers on safety-related systems will be inspected in accordance with IE Bulletin 81-01 prior to return to power from this outage.

Within sixty (60) days of the completion of this mechanical snubber inspection, a report of the results will be submitted to you.

If you have any questions, please let me know.

Sincerely,

J. G. Haynes
