**Subject:** Waste Confidence - Diablo Canyon

Dear Chairman & Commissioners ~

Please put a stop to nuclear waste being made TODAY. It is time.

It is also time for Diablo Canyon to shut down. Old plant. Sits on earthquake faults. Once-through-cooling system doing detrimental damage. Over-filled waste storage.

Respectfully submitted,  
Diane Smith  
402 Montebello Oaks Drive  
Paso Robles, CA 93446
