Subject: RE: Ross Project Programmatic Agreement - Comments/Revisions from 11-21-13 Webinar

Richard,

Thank you for your comments. The version of the PA that I attached to my 11/22 email below is the version that reflected the revisions we made as a group during the 11/21 webinar. During that webinar, we had incorporated some of the BLM stipulations into the PA but we hadn't gone through all of BLM's input. NRC had an action item to continue to make those revisions and we have been working on that. The next version of the PA that we will discuss at the 12/12 webinar will have BLM input included and comments received by 12/5 incorporated/addressed.

Thanks,

Hi Johari,

Here are my comments. I think that we are really close. It looked as though the BLM Stipulations Draft had been rolled into the PA, correct?

Greetings,

In yesterday's webinar to develop the Ross Project Programmatic Agreement (PA), we discussed and proposed revisions to the "whereas" clauses and Stipulations A and B. **We also discussed the path forward for developing the PA and decided to hold another webinar on 12/12/13.** In preparation for the next webinar, we are requesting comments on the current draft of the PA and appendices as well as the suggested revisions to the stipulations that have been provided by BLM. **Please provide your comments on the attached documents by 12/5/13.** So that we can best anticipate any additional terms for discussion in the 12/12/13 webinar, please also consider taking this opportunity to share the current version of the draft with those in your organization who may need to provide input on the PA. As requested, please email your comments/revisions to the entire group.

For those of you that have not yet been able to participate in a webinar, we also welcome you to provide your comments on the PA and to join us at our next webinar.
