Ms. Wiedner:

Thank you for your follow up message. Based on your email of last week, I understand that an amendment request must be submitted at least 30 days prior to the closing of the proposed transaction between CHSI and HMA. At this time, the parties anticipate that the proposed transaction will close in the middle of January. Accordingly, assuming this timeline does not change, you may expect to receive an amendment request in mid-December. If the anticipated closing date changes, however, I will let you know.

Please do not hesitate to let me know if you have any other questions.

Thank you,

Lauren

Lauren,

Last week I e-mailed you concerning a change of control at Williamson Memorial Hospital. Since I did not hear back from you, I wanted to confirm that you understand that we believe that this action constitutes a change of control. As such, an amendment request from the licensee would be required. Please let me know when I may expect to see an amendment request.

Sincerely,
