Good morning Tom –

One of our rad safety staff (John Sater) stated that you called the other day to request an updated Letter of Financial Assurance (because of the name change: SAIC to Leidos).

I will get one to you – it will almost certainly be after the Thanksgiving holiday since I am scheduled to be off next week, and the updated letter will have to be routed thru management channels for the appropriate signature.

- To what address should the updated Assurance be sent?
- Should I use Mail Control # 582362?

Let me know - JT
