To the Secretary  
and Board -

I and my  
family are in  
support of NRCAE  
Spent fuel rule - just a note...

Our atomic energy plant has  
an excellent record and is  
essential to the central coast  
power supply -

Unless you can assure us  
that those hapless wind-  
mills can keep our homes lit  
and warm, please keep Diablo  
working -

If you want to cool the  
run off water - that would be  
Oh

Ms. Don Hansen
