NOTICE OF RECEIPT OF RENEWAL APPLICATION FOR REVIEW

Docket Number: 042508-1335
License Number: 1335-19
Application Date: 04-18-2008

The above renewal application has been received by the Radiologic Health Branch. Since your application is deemed timely and accordingly, the license will not expire until final action has been taken up by the Department. This application will be processed in the order received. The license expiration date (*item 4* on the face of the license) will not change until the renewal is reviewed and approved by the Department.
Please retain this notice to demonstrate proof of an active license.

If your renewal application contains any program changes, e.g. change of Radiation Safety Officer, change of storage/use location, change in possession limit, please submit a separate amendment request, and reference the license number. You may include these changes in the renewal package that will be reviewed at a later date.

Correspondence or other communication concerning the above referenced application **must be submitted in duplicate** and should make clear reference to your assigned docketed number pertaining to its specific request. Future requests, not related to this (the above request), will be assigned a new docket number.

Thank you,
