This email is in reference to your new license application dated September 13, 2013, for Nuclear Regulatory Commission License No. 53-35106-01. In order to continue our review, we need the following additional information.

1. Please submit a copy of your business license.
2. Your NRC Form 313 was signed Kyle Toyama. Please confirm that Mr. Toyama is a member of management and has the authority to make decisions for Chevron Products Company. If this is not true, please resubmit NRC Form 313 and have a member of management signed and date it.
3. Please state whether Chevron Products Co. has ever acquired radioactive material under a general or specific material license issued by the NRC or Agreement State. If so, please submit a copy of the license.

Please submit your response by December 16, 2013. You may submit your response to this letter by email or facsimile. Our fax number is (817) 200-1263. You may respond by email in pdf format. If you have any questions regarding this email, please call me at 817-200-1590. When responding to this email, please include the license, docket and control numbers located at the top of this page.

Thanking you in advance for your cooperation, assistance, and prompt response in this matter.

Sincerely,

Michelle Simmons, Health Physicist
