RESOLUTION NO. 13-53

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
SAN CLEMENTE, CALIFORNIA, DECLARING THE CITY'S
POSITION ON VARIOUS ISSUES RELATING TO THE
PENDING CLOSURE OF THE SAN ONOFRE NUCLEAR
GENERATING STATION (SONGS)
REFERENCE: DOCKET ID NO. NRC-2012-0246

WHEREAS, San Clemente is home to 65,000 residents and is located entirely within the 10-mile Emergency Planning Zone for the San Onofre Nuclear Generating Station; and

WHEREAS, in June 2013, following more than a year of investigation and analysis by both Southern California Edison (SCE) and the Nuclear Regulatory Commission (NRC), SCE determined that San Onofre should be permanently decommissioned; and

WHEREAS, in response to Southern California Edison's decision to decommission SONGS, the City of San Clemente urges SCE and the NRC to ensure that public safety remains paramount during the decommissioning process and beyond; and

WHEREAS, Congress assigned to the Energy Department the task of creating an underground repository for nuclear waste as a result of the Nuclear Waste Policy Act of 1982, however, that task has yet to be completed; and

WHEREAS, the storage of spent fuel rods onsite at SONGS continues to be a concern to the residents of San Clemente; and

WHEREAS, the Nuclear Regulatory Commission (NRC) controls the decommissioning of nuclear facilities to ensure that safety requirements are being met, and

WHEREAS, the City Council of the City of San Clemente takes its responsibility to represent its citizens with utmost seriousness and, as such, desires to be included in the decommissioning process for SONGS.

NOW, THEREFORE, the City Council of the City of San Clemente does hereby resolve as follows:

Section 1. The City of San Clemente formally requests the creation of a repository to provide safe storage of nuclear waste.

Section 2. Once complete the City of San Clemente requests that the spent fuel rods stored onsite at SONGS be prioritized for relocation to the repository as soon as it is safe to do so, in light of a) the geographic conditions unique to SONGS, b) the dense population surrounding SONGS, and c) the fact that SONGS is being decommissioned.

Section 3. The City Clerk is hereby directed to forward certified copies of this resolution to the Nuclear Regulatory Commission, the Department of Energy and Southern California Edison.

Section 4. The City Clerk shall certify to the passage and adoption of this resolution and enter it into the book of original resolutions.

PASSED AND ADOPTED this 17th day of December, 2013.
