Dear NRC,

In the spirit of the holiday season. Please consider these song offerings as my personal comments on the Draft GEIS.

NRC staff may wish to sing them while caroling!

# From The Indian Point Holiday Songbook

## **Not So Little Draft GEIS**

**The GEIS Report is  
Dumb dumb dumb dumb**

**With assurances that are  
Dumb dumb dumb dumb**

**Like old spent fuel pools will last  
A hundred more year  
Nothing to fear  
Dumb dumb dumb dumb**

**And corporations wrapped in LLC  
Won't cut out and flee  
Dumb dumb dumb dumb**

**And contractors won't make a mistake  
Cut me a break  
That's just  
Dumb dumb dumb dumb**

**Please reread you own  
Special Inspection Report  
On ANO One**

**They dropped 250 ton  
Management job was  
Dumb dumb dumb dumb**

**And who can forget how  
Davis-Besse  
Was nearly a big  
Nuclear messy**

**GEIS is just so  
Dumb dumb dumb dumb  
Dumb dumb dumb dumb**

(Tune: "Jingle Bell Rock" ☺ ✨ )

### **Nuclear, Nuclear, Nuclear Waste**

**Nuclear, nuclear, nuclear waste  
It blows in the air  
It blows in your face  
Tritiated water  
Makes a great baste**

**It's just nuclear  
It's just nuclear  
It's just nuclear waste**

**What a bright dump  
It's the right dump  
For the bank of the Hudson River  
An alpha particle  
Is the right particle  
To ingest in your liver**

**Nuclear, nuclear, nuclear waste  
Put it in casks  
There's no other place  
The spent fuel pools  
Have run out of space**

**For the nuclear  
All the nuclear  
For the nuclear waste**

(Tune: "Have a Holly Jolly K-I Pill" ☺ ❄ )

### **Have a Holly Jolly K-I Pill**

**Have a holly jolly K-I pill  
At the ready throughout the year**

**I don't know  
If Indian Point will blow  
But it's better to have K-I near**

**Have a holly jolly K-I pill  
And when you walk down the street  
Say hello to friends you know  
And give K-I to all you meet**

**Oh ho radiation could blow  
With poisons you cannot see  
But you can protect your thyroid at least  
With this simple remedy**

**Have a holly jolly K-I pill  
And in case you didn't hear  
Change your family's supply  
Of this iodide  
Every 5 year**

(Tune: "Rocking Around the Christmas Tree" ☺ ❄ )

### **Rocking Around the Reactor Core**

**Rocking around the reactor core  
At the Indian Point power plant  
Nuke waste lovers just adore  
The nuclear power plant**

**Rocking around the reactor core  
At the Indian Point power plant  
Nuke waste lovers just adore  
The nuclear power plant**

**A new nuke dump is being built  
To hold the overflow  
The spent fuel pool is so tightly packed  
The water is aglow**

**You will get a sentimental feeling when you hear  
The NRC saying  
Just keep a praying  
For 20 more year**

**Rocking around the reactor core  
Have a radioactive day  
Everyone fleeing hysterically  
When the core starts to melt away!**

(Tune: "Let it Snow" ☺ ❄)
