(This is the title that will be used in ADAMS)

Discussion: I asked Mr. Diaz, who should be the management contact for the license and he told me William Wainger, CEO should. I asked if Soil and Land Use Technology, Inc. had a radioactive material license and he said that they did not but had one about 5 years ago. I asked if they had any other type license where they would get routinely inspected and he did not know of any. I requested for a letter signed by Mr. Wainger to request the change of control.

Action Required: Mr. Diaz would get Mr. Wainger to sign the letter requesting the change of control.
