Attachments: Northrop Grumman letter.pdf

Dear Mr. O'Connor,

While reviewing your request for renewal of E-License #19-00428-11E, we noted that pages of the attached document (specifically pages 4-6) are labeled as "Northrop Grumman Private/Proprietary Level 1." To make these pages non-publicly available, please note that we need further information from you in accordance with the regulatory requirements. Specifically:

- Provide a notarized affidavit to request withholding the documents from public availability, see 10 CFR 2.390(b)(1);
- The affidavit should address all five criteria for proprietary information, as listed in 10 CFR 2.390(b)(4)(i)-(v).

If you need further information, please contact me by e-mail or on the phone.

Sincerely,

Katie Wagner
