Dear Mr. Howe,

The Office of Federal and State Materials and Environmental Management Programs has received the letter dated December 24, 2013, from Todd Carpenter transmitting the Oregon proposed regulations to incorporate RATS ID 2012-2. The review has been assigned to Stephen Poy and it is our goal to complete the review within 60 days.

If you have any further comments or questions, please contact me or Kathleen Schneider. Thank you for your attention.
