Subject: Info Request

Ben,

In order to support the NRC's finalization of the comment response report for the Ross Project final SEIS, please provide the following information if it is available:

How many previous drillholes are believed or known to exist on the Ross Project site and the Lance District. How many of these holes have been located and plugged to date (May 9, 2013) by Strata.

Thank you,

Johari A. Moore
