Lisle, Illinois 60532

**Re: Follow up to information request dated November 22, 2013 and our response dated December 5, 2013.
Docket Number: 030-09415 and Control Number: 582236
Aptuit Radioactive Material License No. 24-15595-01**

Dear Ms. Forster:

Aptuit would like to change our possession limits to 50 mCi of C-14 and 60 mCi H-3. Additionally, we would like to request the cancellation of our financial assurance as we are now at possession limits below the requirements of financial assurance.

The ARC shipment confirmation will be sent in a second email. The indicated documents from ARC will have a greater activity indicated as it represents more shipments than the two that were indicated to you.

Please let me know if you require any additional information or if I can be of further assistance. Please contact me by cell phone at (816) 769-4382.

Sincerely,

Clinton Gregg
Radiation Safety Officer
