RE: Freedom of Information Act Request — Video of Dec. 18, 2013, Open House and Public Meeting, 6 PM to 10 PM

Dear FOIA OFFICER:

Pursuant to the Freedom of Information Act, 5 U.S.C. § 552 ("FOIA"), and 10 CFR Part 9, No More Fukushimas ("NMF") respectfully requests a copy of any video recording in the possession or reasonable control of the U.S. Nuclear Regulatory Commission ("NRC"), of the open house and public meeting regarding Seabrook Station (Docket No. 50-443) and conducted by the NRC, Region 1, on December 18, 2013, at *Best Western Plus, The Inn at Hampton*, 815 Lafayette Road, Hampton, New Hampshire.

In making this recording available to No More Fukushimas (NMF), please provide it in the form of an electronic file on a DVD or, alternatively that can be transmitted to NMF by posting it on Dropbox.com, or a similar online service, where it will be available for downloading.

NMF does not believe that any fee will be due from NMF for its FOIA request due to its serving the public interest. However, NMF is willing to pay the applicable fees, if any, associated with NRCs processing its request. If NRC estimates that the total fees for processing NMF's request will exceed \$25.00, please notify me in writing of the estimate and offer NMF an opportunity to seek a waiver or reduction, or to narrow NMF's request in order to reduce the fees.

Thank you for your prompt attention to this FOIA request.

Sincerely,

Bruce Skud, Co-Founder, No More Fukushimas
