SUBJECT:                    Case Closed Based on SSD Case Folder 13-34

Agilent Technologies, Inc. letter dated August 4, 2013 stated that Agilent Technologies, Inc. will soon be relocating its ECD manufacturing operations from its Wilmington, DE location to China. Based on the August 4, 2013, letter, the Licensing Branch opened case SSD 13-30. However, Agilent Technologies, Inc. sent a follow-up letter dated September 13, 2013 (SSD case folder 13-34) to officially request amendment to change the manufacturing facility location. This case (SSD 13-30) is closed based on the request in case SSD 13-34.
