Dear Sirs;

Pursuant to NRC regulations, Patriot Coal Corporation hereby notifies that on December 18, 2013 it has announced its emergence from Chapter 11 as a reorganized company. Patriot completed the final steps in its Chapter 11 restructuring on December 18 by successfully closing its exit financing and completing its rights offerings. Patriot has filed notice of the effectiveness of the Plan of Reorganization with the U.S. Bankruptcy Court for the Eastern District of Missouri. This filing included its wholly owned subsidiaries some of which are listed below as NRC license holders. This is a complete list of NRC licenses held by Patriot subsidiaries at this time.

Patriot expects its mining operations, including the responsibilities of all permits and licenses, to continue in the ordinary course following this reorganization process. Patriot fully intends to remain in compliance with these and all other regulatory requirements.
