Mike,

AREVA would like to have a clarification call on RAI 613. I know it is out a bit in the schedule, but our lead startup test engineer is not available until December 3rd or 4th, anytime during the day, or the morning of December 5<sup>th</sup>. If you can set something up in that window, I would appreciate it. Thanks.

Attached please find Draft RAI No. 613 regarding your application for standard design certification of the U.S. EPR. If you have any questions or need clarification regarding this Draft RAI, please let me know as soon as possible, I will have our technical Staff available to discuss them with you.

Please also review the Draft RAI to ensure that we have not inadvertently included proprietary information. If there is any proprietary information, please let me know within the next ten days. If I do not hear from you within the next ten days, I will assume there are none and will make the Draft RAI publicly available.

Thank you,

Mike
