The Honorable Barbara Boxer
Chairman, Committee on Environment
and Public Works
United States Senate
Washington, DC 20510

Dear Madam Chairman:

The U.S. Nuclear Regulatory Commission (NRC) is making available its final Plan for the retrospective analysis of its existing rules. The final Plan describes the processes and activities that the NRC uses to determine whether any of its regulations should be modified, streamlined, expanded, or repealed. This action is part of the NRC's voluntary implementation of Executive Order (E.O.) 13579, "Regulation and Independent Regulatory Agencies," issued by the President on July 11, 2011. The final Plan will be published in the *Federal Register* soon. For more information, see the enclosed final Plan and *Federal Register* notice.

Sincerely,

/RA/

Amy Powell, Acting Director
Office of Congressional Affairs
