Publication of ANP-10301P-A, Revision 0, "Statistical Universal Power Reconstruction with Fixed Margin Technical Specifications"

Ref. 1: Letter, Sher Bahadur (NRC) to Pedro Salas (AREVA NP Inc.), "Final Safety Evaluation for AREVA NP Inc. Topical Report ANP-10301P, Revision 0, 'Statistical Universal Power Reconstruction with Fixed Margin Technical Specifications,' (TAC No. ME2913)," September 30, 2013.

In Reference 1, the NRC accepted topical report ANP-10301P, Revision 0, "Statistical Universal Power Reconstruction with Fixed Margin Technical Specifications" for referencing in license applications. The NRC requested that AREVA Inc. (AREVA) publish a proprietary and non-proprietary version of the report.

Proprietary and non-proprietary versions of the report are enclosed. The published report is constructed in accordance with guidance provided on the NRC website. As required by 10 CFR 2.390(b) an affidavit is enclosed to support the withholding of the proprietary version of the report from public disclosure.

There are no commitments contained within the enclosures to this letter.

If you have any questions related to this submittal, please contact Ms. Gayle F. Elliott, Product Licensing Manager by telephone at 434-832-3347 or by e-mail at Gayle.Elliott@areva.com.

Sincerely,

A handwritten signature in black ink, appearing to read 'Pedro Salas', is written over the typed name.

requested qualifies under 10 CFR 2.390(a)(4) "Trade secrets and commercial or financial information."

6. The following criteria are customarily applied by AREVA to determine whether information should be classified as proprietary:

- (a) The information reveals details of AREVA's research and development plans and programs or their results.
- (b) Use of the information by a competitor would permit the competitor to significantly reduce its expenditures, in time or resources, to design, produce, or market a similar product or service.
- (c) The information includes test data or analytical techniques concerning a process, methodology, or component, the application of which results in a competitive advantage for AREVA.
- (d) The information reveals certain distinguishing aspects of a process, methodology, or component, the exclusive use of which provides a competitive advantage for AREVA in product optimization or marketability.
- (e) The information is vital to a competitive advantage held by AREVA, would be helpful to competitors to AREVA, and would likely cause substantial harm to the competitive position of AREVA.

The information in this Document is considered proprietary for the reasons set forth in paragraphs 6(c) and 6(d) above.

7. In accordance with AREVA's policies governing the protection and control of information, proprietary information contained in this Document has been made available, on a limited basis, to others outside AREVA only as required and under suitable agreement providing for nondisclosure and limited use of the information.

8. AREVA policy requires that proprietary information be kept in a secured file or area and distributed on a need-to-know basis.

9. The foregoing statements are true and correct to the best of my knowledge, information, and belief.
