Jim,

Please find attached DOE's response to the follow-up RAI response clarification questions. The document is approved for public release. I have also sent for delivery tomorrow morning a hard copy with a DVD that contains all references and 5 DVDs which contain the computer files requested and discussed in the document (listed in Appendix B). Please let me know if there are any additional questions.

Sincerely,

Sherri Ross

Subject: Follow-up RAI response questions

Also, staff completing draft TER sections has asked for the following references (unrelated to RAI responses):

WSRC-RP-93-00287 (by Thayer et al. 1993).  
WSRC-TR-92-42-004 (by Skinner, K.)

Please call me tomorrow after you've had a chance to review the questions to discuss the best strategy for response. Thanks[attachment "Clarifications of DOE RAI Responses (2).docx" deleted by Sherri Ross/DOE/Srs]
