Dear Dr. Bridges:

This refers to your letter dated October 15, 2013, requesting the addition of Drs. Massin, Nielson and Hatfield as authorized users to NRC License No. 24-18287-01 for Heartland Regional Medical Center. Review of this matter determined that additional information was necessary to complete this request. Specifically, your letter indicated that training and experience information was attached that in fact was not attached. On October 30, 2013, I left a message for and also e-mailed Christina Pearson of your staff explaining the lack of information and what was needed to continue the review. On November 21 and 22, 2013, we exchanged e-mails and I explained again that we needed the attachments noted in the letter as well as written attestations from a preceptor for each of the proposed authorized users. I referred Ms. Pearson to NRC Form 313A (<http://www.nrc.gov/reading-rm/doc-collections/forms/>) as guidance to providing the necessary information. I attempted to call Ms. Pearson again on December 17, 2013, but have received no further response.

Based on this lack of further information, we have voided your request. This was discussed with David Bruns of your staff by telephone on January 9, 2014. This action is without prejudice to resubmission. If you resubmit your request, please state that the resubmission is additional information to Control Number 582321.

If you have any questions or require clarification on any of the information stated above, you may contact us at (630) 829-9887.

J. Bridges

In accordance with 10 Code of Federal Regulations 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Sincerely,

A handwritten signature in black ink, appearing to read "B. A. Parker". The signature is written in a cursive style with a large initial "B" and a long horizontal stroke extending to the right.
