To: ALL COL NORTH ANNA MAILING LIST ADDRESSEES

SUBJECT: REQUEST FOR ELECTION OF ELECTRONIC DELIVERY AS PREFERENCE FOR RECEIVING CORRESPONDENCE REGARDING THE SAFETY REVIEW OF THE COMBINED LICENSE APPLICATION FOR THE NORTH ANNA 3, DOCKET NO. 52-017

The U.S. Nuclear Regulatory Commission (NRC) is conducting a safety review for a Combined License Application for the North Anna Unit 3. You are receiving this letter because you requested to be included on the North Anna safety mailing list. By providing your name and mailing address to the NRC, you have elected to receive a courtesy copy of all publicly available correspondence sent from the NRC project.

In an effort to keep our mailing list current and to provide our stakeholders with the most up-to-date information concerning North Anna Unit 3 in the most timely and efficient manner, the NRC staff invites you to elect electronic delivery through electronic mail (e-mail) as your primary means to receive correspondence and information in lieu of paper copies via regular post mail delivery. This initiative has also been prompted to help the NRC adhere to Executive Order 13101, "Greening the Government Through Waste Prevention, Recycling, and Federal Acquisition." NRC is committed to reducing waste through waste prevention, which is primarily achieved by reducing paper consumption with the increased use of electronic media programs and electronic communications.

To assist NRC in these initiatives, the staff requests to send correspondence related to safety review to you via e-mail. Please contact Mr. Chandu Patel, Safety Project Manager, to confirm that you would like to continue to receive correspondence from NRC regarding the North Anna project. Mr. Chandu Patel can be reached via email at Chandu.Patel@nrc.gov or by telephone at 1(800) 368-5642 ext. 3025. When responding, please include your full name, email address for electronic delivery, if you are interested in receiving NRC correspondence. If the staff has not received a response within 30 days from the date of this letter, your name will be removed from the mailing list for correspondence related to safety review of North Anna Unit 3.
