Dear Mr. Jankovich:

In conjunction with the letter submitted December 12, 2013, please find enclosed the ratified English translation of the **BAM Approval Certificate for the design of special form radioactive material, No. D/0070/S-96 (Rev. 5)** to include Alpha Omega Services. The English translation is no longer printed on BAM letterhead, but is stamped by an officer stating that the German text is legally binding.

Should you have any questions regarding the above matter, please contact me directly at 770-670-2518 or via email at debbie.bensen@elekta.com.

Sincerely,

A handwritten signature in cursive script that reads "Debra L. Bensen".
