Dear Judge Bechhoeffer,

Having returned from a recent trip, I found Mr. Block's letter to the Panel and parties and Ms. Zobler's response. I have made best efforts to locate the copy of the April 1, 1999 letter attachments to which Ms. Zobler referred in her response to Mr. Block's letter. They are simply no where to be found.

I called Mr. Block to ask if he had ever received the letter. He said, no, that was why he wrote to the Panel. Besides, he told me, the letter would not have been proper service anyway. He said, as he stated in his letter, the Chairman asked that the EA be served on the parties, not that they merely get it as a form of "service" in conjunction with some other mailing. He said he could not understand why neither he nor I had received a copy of the letter. He added, that he was mystified and confounded by these facts.

Please let us know how the Panel will view the receipt of the EA. CAN did get a copy by email on April 18, 1999. We think that at least 30 days is a reasonable time in which to respond to the EA/FONSI in this case.

Sincerely,

Deborah B. Katz
