

January 24, 2014

Mr. James Schuh  
Radiological Programs Director  
Mallinckrodt, LLC  
2703 Wagner Place  
Maryland Heights, MO 63043

Dear Mr. Schuh:

This is in follow-up to your communication with Kevin Null of my staff on January 13, 2014, regarding Mallinckrodt, LLC's decommissioning financial assurance for U.S. Nuclear Regulatory Commission (NRC) License Numbers 24-04206-01 and 24-04296-02.

In a letter to Mr. Dale Eyman dated October 13, 2011, we informed Mallinckrodt, LLC that we had completed our review of its amended Payment Surety Bond (General Surety Rider) number 82043701 dated March 10, 2008, for NRC License Numbers 24-04206-01 and 24-04296-02. The amended Bond included costs to decommission activities related to both NRC license numbers.

Also in that letter, we informed Mr. Eyman that it would be necessary for Mallinckrodt, LLC to review the Standby Trust Agreement (STA) and amended Payment Surety Bond (General Surety Rider) and revise both documents by referencing both NRC license numbers for which the decommissioning financial assurance applies. In addition, Mallinckrodt, LLC also needs to resubmit schedules A and B to the STA so that they accurately reflect both NRC license numbers and the issuing party of the Payment Surety Bond.

As of the date of this letter, we have not yet received the revisions discussed above. Based on our January 13, 2014, communication, it is our understanding that Mallinckrodt, LLC will make the revisions described above and submit them to our office within 30 days of the date of this letter. If our understanding is incorrect, please contact me immediately at (630) 829-9868 to provide clarification.

In accordance with Title 10 of the *Code of Federal Regulations* 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC site at <http://www.nrc.gov/reading-rm/adams.html>.

J. Schuh
