Subject: (NOTE: This will be used as the Documents Title in ADAMS)						
The licensee was called to discuss the deficiencies in the amendment request and the requirements for Dr. Fitz to become an AU for 35.300. Dr. Fritz cannot use the board certification pathway to be added on the license for 35.300 modality. In order to add Dr. Fritz for 35.300 NRC Form 313(AUT) must be filled out again following the training and experience pathway. In addition, the preceptor must fill out the entire form and check off all the boxes that are applicable to him.						
The certification pathway can be used to add Dr. Fritz for 35.300 for use of sodium iodide only. However, NRC Form 313(AUT) needs to be filled out in its entirety including the cases he has performed with sodium iodide (table 3.c), and the preceptor section (Part II).						
I explained that Dr. Fitz would be added for 35.100, 35.200, and 31.11.						
The licensee was going to discuss the 35.300 option with her management.
