Revised Third 10 Year Interval Inservice Inspection Plans**

Attached please find the Inservice Inspection (ISI) Plan revisions for the third 10-year interval at PVNGS, for Units 1, 2, and 3. Arizona Public Service Company (APS) is providing these plans pursuant to Paragraph IWA-1400(c) of Section XI of the American Society of Mechanical Engineers (ASME) Boiler and Pressure Vessel Code.

Specifically, this submittal transmits Revisions 2 and 3 for Unit 1, Revisions 3 and 4 for Unit 2 and Revisions 2 and 3 for Unit 3. Electronic files of the revised Plans are provided in the Enclosure. The summary of changes for each document is provided immediately following the Table of Contents in each Plan revision.

APS is providing these plans for information. By copy of this letter, this submittal is being provided to the NRC Region IV Administrator and the PVNGS Resident Inspector. No commitments are being made to the NRC by this letter.

Should you need further information regarding this submittal, please contact Robert K. Roehler, Licensing Section Leader, at (623) 393-5241.

Sincerely,

Thomas N. Weber
