Dear Dr. Roldan-Otero,

Thank you for the recent amendment to our license number 11-29216-01MD changing the radiation safety officer.

In looking through the records left by our previous RSO, I could not find documentation that you were notified of Mark Carson's departure from our company as an authorized nuclear pharmacist. Dr. Carson has relocated and has not worked for Advanced Isotopes since October of 2013.

I apologize for the late notice (and for the duplication if this notification has already been sent). If you have any questions or need additional information, I can be reached at (208) 390-3961 at any time.

Sincerely,

Catherine Heyneman, PharmD, ANP
RSO
